WORK EXPERIENCE

Project Manager
Enactus

08/2022 - Present   *Egypt*

As a project manager my main goal is to set the business up, in the future there is a high chance to build a business site which will mostly do it solo

Achievements/Tasks
- Building a fully functional responsive website for the business that we are developing

PERSONAL PROJECTS

E-commerce Application
- It includes Firebase Authintication
- I used Redux for state management
- Included react router for navigation
- Implemented a responsive good visual design

Personal Portfolio
- Fully responsive landing page
- Gives the client a brief summary of my background and skills

Budget Calculator
- This app lets you manage finances add and delete display it

A lot more mini apps
- Markdown previewer changes markdown text to displayable data
- weather finder that displays the weather data of any cityc in theworld
- Calculator app
- Todo list app

EDUCATION
